

WE ARE FOUNDED
ON THE CULTURE
OF RAISING
THE STANDARDS
OF REAL ESTATE

WORDS FROM THE FOUNDERS

When we first envisioned to enter the Real Estate market, we promised ourselves to constantly deliver smart projects that offer a better working and living experience to our clients.

Even though as a company we are still young, we believe that our hard work, determination, foresight and brilliant minds positioned us over the competition.

Chairman
Elie Moussa

We continuously aim to raise the bar; we design, build, execute and deliver unique developments with a clear customer-focused culture in mind.

President
Selim Haddad

Attention to details, superior quality, maximization of resources, technological know - how and futuristic aesthetic designs are the basis of our projects that spread from Residential to Commercial to Leisure. Our clients can distinguish the magical touch in all our properties from cutting-edge facades to luxurious interior designs, all created in close collaboration with renowned Architects and Engineers.

We possess a rich and diversified presence across several core sectors in the real estate. We catch new opportunities and find ourselves equipped to make a mark in the local and regional markets in the coming years.

ABOUT **Us**

RISE PROPERTIES is one of Lebanon's Leading Real Estate Developers that **owns its projects** and **invests in its own portfolio**.

Since its establishment in 2008, RISE PROPERTIES has been reinventing lifestyles by building Commercial, Residential and Leisure projects that offer added value, thus rising to become one of Lebanon's most trusted large-scale firms.

These values are reflected through the **\$500 million projects** that take the smart concept in all its aspects into a whole new level.

OUR **MISSION**

is to fulfill market needs whilst building unique concepts and designs in the most strategic locations and creating a perfect living and working experience through all our projects.

OUR **VISION**

is to become the preferred Real Estate Developer, locally and regionally, by constantly creating the smartest investment opportunities in the sector.

OUR **CORE VALUE**

is to ensure a customer-focused approach whilst dedicating all efforts towards excellence, social responsibility and mostly honesty and integrity.

OUR **TEAM**

is keen on investing all the right skills to take our customer's investment to greater heights while securing a thorough and personalized service at every step.

OUR **PROJECTS**

DO IT WITH PASSION
OR NOT AT ALL

STRASSCO TOWER

ZALKA SOUK

Strategically located in the heart of the busy area of Zalka Souk, Strassco is a refined complex comprised of offices and retail shops, a one of a kind structure and architecture.

Z208

ZALKA HIGHWAY

An ideal contemporary office address for all types of businesses, with ground level retail and commercial facilities; Z208 takes businesses to higher dimensions with its new majestic structure that rises in the most happening area in town.

A high-rise building consisting of 35 floors of offices, showrooms and retail spaces; with its breathtaking views overlooking Dbayeh Marina. Marina Gate stands as Naccache's most promising commercial development.

Kÿe

Beachfront Resort

TABARJA

Kÿe, Lebanon's Largest and Most Unique Beachfront resort is a 200,000 SQM Megaproject located on the Mediterranean coast and embracing magnificent landscaped areas.

The project is made up of a contemporary design combining 770 chalets that range from 45 to 85 SQM with a low-rise 3 level architecture.

Kÿe offers a unique set of unparalleled amenities, an impressive yachting marina and a private outdoor space with every chalet.

CLOVER PARK

Horsh Tabet

A luxurious collection of three unique addresses for businesses and home: Clover Park is located in Lebanon's newest, most intimate and desirable neighborhood; a prime spot to live and work in.

An architectural rendering of the Clover Park development. It features three modern buildings: a large concrete-clad residential tower on the left with vertical greenery, a central glass-clad corporate building, and a glass-clad executive office building on the right. A paved road with a white dashed line runs through the center, flanked by landscaped green areas with trees and shrubs. The sky is blue with light clouds.
